

FULL-LENGTH RESEARCH PAPER (BASIC)

[Title of the Paper] Max of 15 Words

Introduction

Sub-sections (if required)

<<<< Provide a brief overview of the topic, its relevance, scope, and the study objectives here>>>>>

Literature Review & Hypotheses

Sub-sections (if required)

<<<< Present an overview about the important literature and justify the research gaps and also provide important postulations (if decided) to test during the study>>>>>

Methodology

Sub-sections (if required)

<<<< Present a short summary of POTENTIAL data collection and sampling methodology here>>>>

Plan for Data Analysis

Sub-sections (if required)

<<<<< Describe Your PLAN FOR DATA ANALYSIS here >>>>>

Study Implications

<<<< Discuss the POTENTIAL theoretical and practical implications >>>>>

Major References

<<<<< Follow APA Style guidelines>>>>>>

NOTE: *This 1000 word extended abstract should be prepared as a separate PDF file and submitted through the easy chair account system. This manuscript should be prepared as double spaced, A4 size, Times New Roman font, 12 point size, 1 inch margins on all sides, and APA style in all other aspects. This mode of submission is intended for those researchers who are in the preliminary stage of their research. Particularly for those researchers who have understanding about their research problem and the hypotheses they want to test, however, not yet completed the data collection and its analysis.*
